Indian Institute of Technology Roorkee

VERIFIED

Area of Interest

Business Analysis, System Design, Full-Stack Development, Blockchain & Web3, Product Development

Education

Year	Degree/Examination	Institution/Board	CGPA/ Percentage
2026	B.Tech. 2nd Year	Indian Institute of Technology, Roorkee	7.494
2024	Intermediate (Class XII)	NATION PUBLIC SCHOOL, BULANDSHAHR	96.40 %
2022	Matriculate (Class X)	ST MARY'S CONVENT SCHOOL GAJRAULA	97.00 %

Internships

Software Developer | Jastro — May 2025 - July 2025

- Contributed to an AI-powered astrology platform used by **2000+ users** and **100+ paid subscribers.**
- Engineered **12+ REST APIs** and backend services using **Express.js** to support report generation and user workflows.
- Developed production-ready features with **Next.js** and **PostgreSQL,** improving scalability and user experience.

Projects

CampusFlow: Student Mobility & Ride-Sharing Platform | IIT Roorkee — May 2026 - June 2026

- Developed a ride-sharing platform connecting **10K+ students** and **50+ drivers** , streamlining last-mile transportation.
- Improved driver visibility and ride allocation through automated matching, assignment, and real-time ride tracking.
- Implemented a geospatial matching engine using **Redis GEO** , with distributed locking to optimize ride allocation.

TrailVista: Expedition Booking & Management Platform | Self Project — May 2026 - June 2026

- Facilitated end-to-end trek booking through a platform supporting trek discovery, payments, and booking management.
- Implemented secure authentication, password recovery, protected routes, and payment verification workflows.
- Integrated **Razorpay,** automated booking creation, and cloud deployment using FastAPI, Supabase, and Vercel.

E-Summit Controls: Event Operations & Entry Workflow Automation | E-Cell — August 2025 - February 2026

- Automated attendee verification and ID issuance for **4000+ participants** through a QR-based registration platform.
- Reduced manual check-in effort through real-time participant retrieval, attendance tracking, and centralized database.
- Implemented secure authentication, audit logging, and live analytics for seamless event management workflows.

Decoding Customer Value: A SQL-Driven Retention Strategy | E-Cell, IITG — May 2026 - June 2026

- Analyzed transactional and behavioral data for **3,900+ customers,** identifying revenue-growth opportunities.
- Engineered **10+ customer metrics** spanning loyalty, promotion dependency, purchase frequency, and customer value.
- Developed an dashboard and retention strategy, delivering recommendations for customer growth and sustainability.

YieldForge: CIR-Based Yield Curve Prediction | STC — May 2026 - June 2026

- Modeled sovereign yield curves using the **CIR model,** analyzing interest-rate dynamics across **10+ maturities.**
- Implemented parameter calibration, yield-curve estimation, and term-structure forecasting using stochastic processes.
- Evaluated **1000+** simulated rate paths to study forecasting performance and fixed-income risk behavior.

Awards / Scholarships / Academic Achievements

- Global Rank **2906** in Codeforces Round 1104 (Div.1+Div.2) | Handle: MoonKnight247

Positions of Responsibility & Extra Curriculars

Head of Speakers | E-Summit'27 — May 2026 - Present

- Organized **E-Summit'26** , a 3-day summit engaging **4000+ attendees** through **50+ events** , and speaker sessions.
- Spearheaded a team of **100+ members** , overseeing speaker relations, hospitality, scheduling, and logistics.
- Curated **20+ keynote sessions** , and panel discussions featuring founders, CEOs, investors, and industry leaders.

Associate Coordinator | PIC, IIT Roorkee — May 2026 - Present

- Coordinated outreach to **40+ companies** , driving recruiter engagement and internship opportunities across sectors.
- Managed recruitment workflows for **1000+ students** , scheduling assessments, interviews, and hiring activities.
- Ensured seamless coordination among students, recruiters, and institute stakeholders throughout recruitment processes.

Head of Zero to One | E-Cell, IIT Roorkee — May 2026 - Present

- Analyzed **250+ surveys** to identify campus problems and drive MVP development impacting over **9,000+ students**
- Led a team of **60+ members** , managing product ideation, designing, prototyping, testing, and execution workflows.
- Co-developed **5 MVPs** , authored PRDs, coordinated cross-functional teams, and built ideas from concept to validation.

Member | Photog, IIT Roorkee — October 2024 - September 2025

- Captured **15+ institute events** and campus life through creative photography, contributing to institute media.
- Explored visual storytelling through event coverage, photo walks, and photography assignments across diverse settings.
- Organized **Drishya'24** and a photo walk for **300+ students** , fostering a vibrant photography community on campus.
